Delta Zeta Review

Volume 7, Issue 1

President's Message

Greetings Sisters!

As I reflect on the 2018-19 year and look ahead to our 2019-20 one, my heart is warmed by the memories of our fellowship during our Delta Zeta meetings and events. Your love and generosity for others is always evident as you give of yourself through your time, talents, and material gifts whenever needed. Your gifts to our beginning teachers were generous and highly appreciated. Your giving for victims of last year's hurricanes were a huge relief for those struggling to rebuild. And even the International Convention Centerpiece was an example of your undying generosity and willingness to step in and help at any time.

This fall, our state organization, NC DKG, has asked us to step up to help our neighbors to the south in Ocracoke. Dollars for Dorian is a statewide DKG initiative to raise funds for Ocracoke to begin healing and rebuilding after Hurricane Dorian left it under water. Please consider giving to this initiative, and be assured that every dollar will go straight to Ocracoke.

Our theme this year continues to be "Building Ourselves So We Can Build Up Others." Through Dollars for Dorian, our Beginning Teacher bags and gifts, Food for Thought toiletries, and our other projects throughout the year, we are truly working together to build up others. During our meetings this year, we will explore ways to build ourselves as well, so we can be strong for the people around us who need us to act as a buffer for them during their trying times.

Soon it will be time to nominate candidates for membership, so be thinking about who we are missing in Delta Zeta. We will also be nominating a slate of new officers in the early spring for the 2020-2022 biennium. Be considering whether it is time for you to step into a leadership role for Delta Zeta.

I wish you a happy and peaceful fall with all of its festivities.

In Sisterhood,

Jodie

Handouts for the Celebrate A Teacher: 101 Donations Challenge" that was introduced at the Executive Board Meeting in Burlington have been emailed to all members. These recognitions can be for any teachers, whether a member or not, male or female, Make sure you fill out the form for each teacher you choose to recognize and send it with your \$10 (or amount you choose) to the address on the form. There are also instructions for making an online donation. Our DKG chapter is Delta Zeta, and our Region is 1. If our chapter submits 101 recognitions before April 15, our chapter will be recognized on the NC DKG Educational Foundation

New member nomination instructions will be coming soon! Remember that new members can be anyone who is or has been an educator, so put your thinking caps on and be ready to fill out nomination forms

Our chapter sent \$195 to NC DKG for the Dollars for Dorian campaign. If you were unable to give through our Delta Zeta collection, you can give directly to the Ocracoke School by sending your check to the following:

Hyde County Schools
Ocracoke School Donation
PO Box 217
Swan Quarter, NC 27885

The fall issue of the *NC DKG News* (formerly named *Eta State*), is now available online at <https://www.ncdkg.org/>

DKG members, be aware! Even DKG is not immune to scammers. If you receive suspicious emails from any international or NC DKG officer or representative, you should NOT purchase items or donate funds until you speak to the person you believe sent the email.
