

**Delta Zeta Chapter**  
**The Delta Kappa Gamma Society International**  
**13th Annual Community Spelling Bee**

Dear Friend of Education,

As women educators sponsoring the 13th Annual Delta Zeta Community Spelling Bee, we invite you to participate in an evening of fun and fellowship in support of the Dare Education Foundation, the Delta Zeta grants-in-aid which provide financial aid for Dare County students pursuing degrees in education, and the chapter scholarship fund.

On Monday, March 18, 2024, teams sponsored by businesses, schools, civic groups, and individuals will gather at 6:00 pm Kitty Hawk Elementary School for the competition. We are seeking your support as an event sponsor by joining our BEEline to Excellence in Education. For a \$50 sponsorship, your business logo will appear on screen during the presentation of the spelling words and will also be printed in the program. Sponsors will also be recognized from the podium during the Bee. We would also like to invite you to attend the Bee and cheer on the teams. Details are included on the form on the reverse side.

Thank you for considering our proposal. We hope you will say “yes” to an enjoyable evening in support of education in Dare County.

Sincerely,

Spelling Bee Coordinators  
Delta Zeta Chapter
